

# Pressure control

Référence : BRP/1000

---

## GENERAL SPECIFICATIONS

---

- Control valve SS core Masoneilan Varipack with variable Cv.
- Pneumatic actuator and positioner.
- Cylindrical tank, 1L.
- Interference piping with setting valve and ball valve.
- Configurable electronic PID controller.

## Instrumentation

- Manometers.
- Electronic relative pressure transmitter, scale 0 to 2 bar.
- PID configurable controller.
- The 4-20mA signals available on wiring terminals Ø 4mm.

**Dim** : 80 x 60 x 80cm – 50 kg  
Aluminum profile framework

**Categories:** Educational Engineering Instrumentation & control Single control loops

**Reference:** BRP/1000

## DESCRIPTION

### Study and adjust a pressure control loop

Industrial actuators and sensors setting and study

Use a PID controller

Open loop study

Closed loop study

Further to a disruption controller reaction study

Unités livrées avec un manuel pédagogique  
et dossier technique

Possibilité d'adapter les unités à vos  
besoins

Mise en service, formation des  
formateurs
